

# CR 65

## Truck Mounted Forklift

**PALFINGER**

### Higher capacity with a lighter deadweight

The PALFINGER CR 65 Truck Mounted Forklift provides the greatest lift capacity of PALFINGER offerings. Equipped with an air cooled 64 HP diesel engine and 3-pump hydraulic drive, the PALFINGER CR 65 has added features allowing it to handle loads up to 6,500 lbs. These features allow material handling suppliers a higher capacity machine with a lighter deadweight.

Reliable and efficient
